NOTICE

Marina Permit Attachment

The limitations specified on this attachment apply only to overdimensional vehicles operating under the authority of a valid **MARINA SPECIAL HAULING PERMIT** issued in accordance with Section 4513.34 of the Ohio Revised Code and Section 5501:2-1-01(M) of the Ohio Administrative Code.

- Authorized movement may not exceed a ten (10) mile radius of stated point of origin over State and U.S. highways. Movement is **not** authorized on fully controlled or limited access highways.
- Power unit may consist of an agricultural tractor or land tug. Such vehicle must have a three (3) digit unit number clearly displayed.
- The permit will be issued to either a license plate. In the case of an agricultural tractor or land tug to the vehicle's three digit unit number.
- Maximum running height is not to exceed four (4) inches below the least vertical clearance or overhead obstruction on the route. Though the permit may be issued, the State of Ohio does not warrant the clearance of overhead obstructions on the route.
- Permittee is responsible to check the route for adequate clearance of overhead obstructions.
- One (1) rear escort shall be required at all times in addition to the escort requirements listed on the FORM OS-1A indicated on the permit.
- Appropriate SLOW MOVING VEHICLE signage must be properly attached.

Additional information may be obtained by contact the ODOT Special Hauling Permit Section.
